SECURE A HOME IN THE LAND OF FLOWERS DINSMORE!

One of the growing towns of the South, is situated on both sides of Savannah, Florida & Western Railroad, just twelve miles from Jacksonville, Fla. It is high, dry and level, and a successful horticultural and truck-growing section of the State. Dinsmore can be easily reached from Jacksonville by railroad, by water route, or by an hour and a half drive over an excellent plank and shell road.

Dinsmore is not one of the haunted spots that is only laid out on paper, but a thriving prosperous town that recommends itself to capitalist and laborer, to fathers and wives who are vigilant over their own interests and the welfare of their children, to those who are seeking homes and those who have capital to invest for speculation.

The land can be obtained at remarkably low figures and on terms suitable to the condition of every purchaser. At the present low figures a poor man can make regular payments on a valuable home with less than the aggregate of unnecessary expense or money actually thrown away. It is an investment that one cannot regret and through which you will realize many times the amount invested. The prices are for Front Business Lots one acre, \$65, \$50, \$35. Second choice, \$25 \$18. Third choice \$15. Fourth choice \$10. Fifth choice, \$5. It must be remembered that these are acre lots.

We also have vegetable and truck farms laid out adjacent to Dinsmore, containing from five to sixteen acres each, which we offer for the benefit of those who wish to farm at \$5 acre.

Our terms are one fourth cash and balance in one, two and three years.

The chain of title will be short and strong. It is from the State of Florida to the Railroad and from the Railroad to you.

Truck farming around Dinsmore would be at the door of two of the greatest markets in the South. Let every poor man if with but one dollar, commence to buy a lot in Dinsmore. The fare from Jacksonville and return is only twenty-five cents. Think of it. There are eight passenger trains per day and the round trip will only cost twenty-five cents. Trout creek, a large stream passes right through the vicinity, thus affording pure fresh water for stock, perfect drainage and abundance of fish.

TAKE WARNING NOW, and do not let this grand opportunity slip you. It is the very best chance you will have to secure a good piece of valuable property and such startling prices.

The merchants in Dinsmore are enjoying a good trade and the town is rapidly growing. Saw mills are convenient for securing timber to build, and laborers who desire work can get from a dollar and a half to two dollars per day.

For further information or plans and how to see Dinsmore, call on

THE FREEMAN.

WHAT IT CONTAINS, HOW TO GET IT.

The Freeman, the great and only Illustrated Colored Newspaper published, certainly fills a long felt want in Negro Journalism. The colored people have long needed just such a champion—protestant newspaper—one which will "name them as they are" and not caricature them as is too often done by the white press. The Freeman portrays the Negro as he really is, in his life and in his death. It is printed on fine tinted book paper and is sold at the very low price of 5c. per copy, 75c. for three months, \$1.35 for six mos. and \$2.40 for one year. Ladies as well as gentlemen, boys as well as girls can make money by handling The Freeman. Send 25c. for TERMS and INSTRUCTIONS, and 10c. (in stamps) for sample copies. Address all matter to,
